

MIDTOWN

BALTIMORE

Midtown Community Benefits District is a neighborhood advocacy and improvement group authorized by law in 1996 to perform supplemental services in four neighborhoods – Bolton Hill, Charles North, Madison Park, and Mount Vernon. Each property owner, resident and stakeholder is a member of the District and is represented by the Board of Directors which is comprised of individuals predominantly from the four neighborhoods. The District's efforts to make the neighborhoods stronger, better places to live and work are funded by taxpayer approved property tax surcharge.

In the 144 block area, Midtown provides multiple services, including:

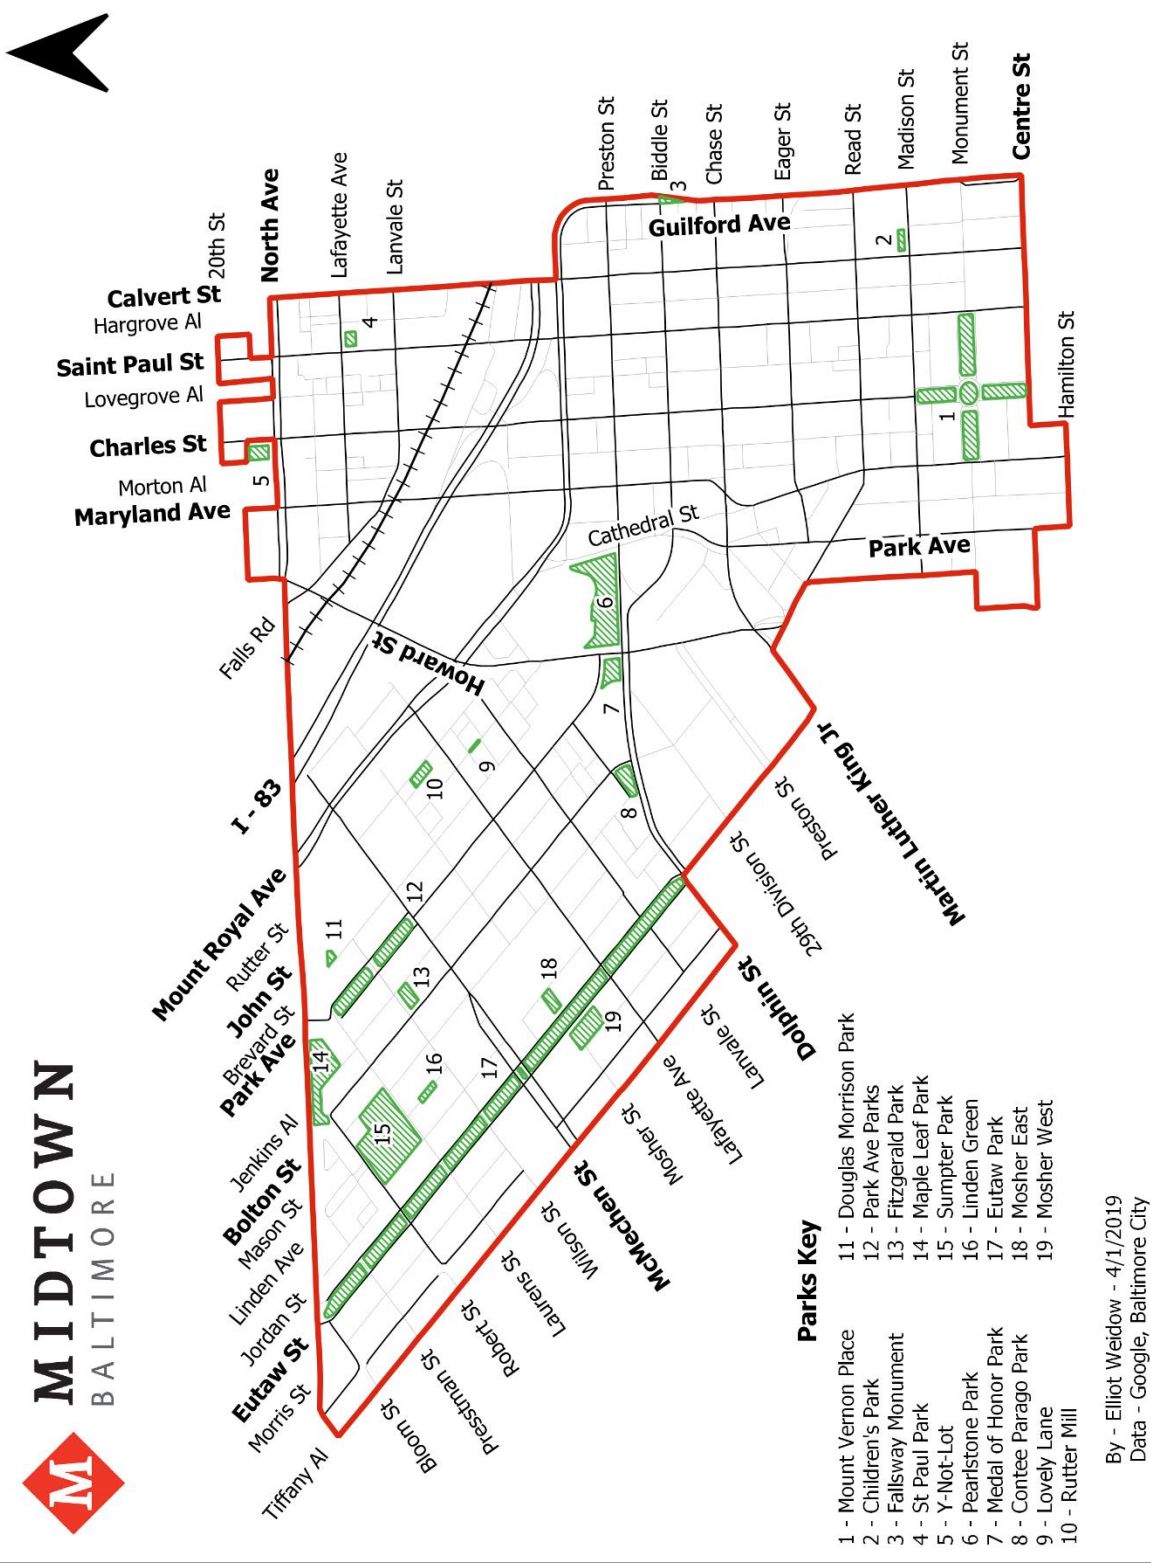

- Cleaning streets, gutters, sidewalks and alleys (with littervac machines and by hand)
- Removing bulk trash and hazardous waste materials
- Emptying 150+ public trash cans 7 days/week
- Collecting leaves in streets, sidewalks, and parks
- Maintaining trees in the parks and on the street (watering, pruning, weeding)
- Assisting communities with street tree plantings
- Cleaning approximately 20 parks and public spaces
- Providing safety patrols
- Advocating for district-wide needs and representing the communities' interests

Midtown's team is agile, and we can address service requests quickly once we are notified of them. We work closely with the communities to best understand where any areas of concern may arise and need to be given greater detailed service. Constituents may submit service requests online at <http://midtownbaltimore.org/benefits-district/what-we-do/request-midtown-services/> or via phone at 410-528-1512. Midtown also encourages community participation in two committees, Clean & Green and Safety. Interested parties should contact Midtown at info@midtowncommunity.org or 410-528-1512.

For more information about Midtown's services, please visit www.midtownbaltimore.org. We continually strive to provide the best service possible to our four neighborhoods that comprise the district and we work closely with the citizens, businesses, institutions, and Baltimore City agencies to do so.
